

Parent and players,

Our Summer Season will begin on June 6th in the Fort Bend League. We will be entering 4 teams this year (Brazos, Sweetwater, and two Oyster Creek. We are very fortunate this year to have all of our teams coached by former Elkins baseball players. Kelly Shearer, Will Moore, Garrett Horvath, and Matt McKinnon will be our head coaches this year and we are very glad to have them aboard.

I have attached two forms to this email which will need to be returned to me by May 27th. The two forms are a player contract and a medical release form. These two forms need to be on file with the league before the player is allowed to step foot on a game field.

The league schedules for these divisions will be posted on June 1st and the first day of league games will be June 6. The Summer season will run until July 21st.

The cost per player for the Summer season will be \$230. This includes all fees associated with playing including umpires, insurance, game balls, and coaches. This fee is only for the Fort Bend Baseball League and does not apply to any additional outside/extra games we may pickup during the summer. Please make all checks payable to the ***Knights Baseball Club***.

I will be at the baseball field Tuesday, Wednesday, and Thursday of next week from 6-7:00 PM each night for player form drop off.

I look forward to a great Summer season,

Kevin Max
Offseason Coordinator
